Travel inside your computer...

Imagine a world inside your computer, a fantastic universe populated with Letters and Numbers as real as you and I. Cliff Johnson, author of the award-winning Fool's Errand, has created a quest that begins when a power surge flings the number 3 from her secure home inside a spreadsheet into the madcap world of letters. As you follow her journey home, you'll meet characters as unique as those that Dorothy found in Oz. A tour de force of animation and sound, 3 in Three challenges you to an interactive treasure hunt of word puzzles, logic dilemmas, and brain twisters. With no dead ends to force the player to start the game over, 3 in Three offers many hours of delight and challenge. Losing is impossible; but winning requires logic, strategy, and a sense of adventure.

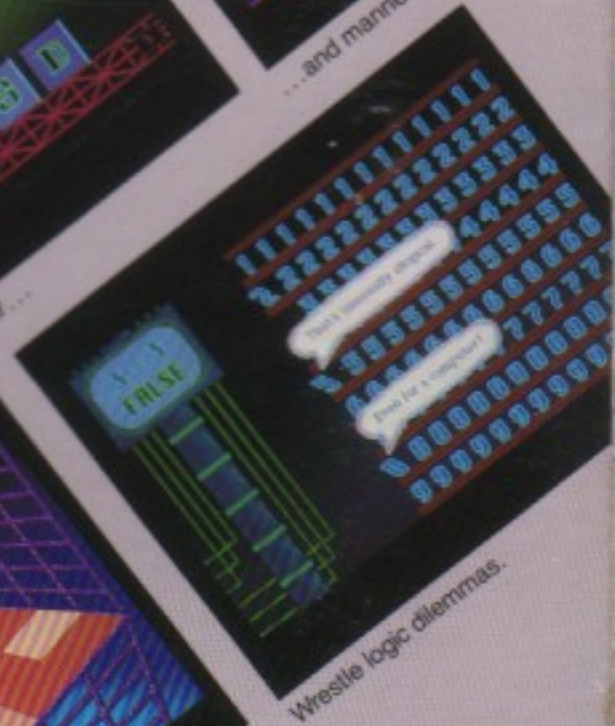

...where numbers don't count...

Untangle brain twisters.

...letters spell disaster...

Wrestle logic dilemmas.

...and manners are important!

Features 80 mind boggling puzzles and 60 animated scenes. Partially-solved puzzles awaits those who unlock the sacred Temple of Rhyme nor Reason. A five-minute, fully-animated finale awaits those who saved for later completion. Collect words and clues throughout the game to use in the final solution.

EVERY CINEMAWARE OR SPOTLIGHT GAME BRINGS YOU CLOSER TO A FREE GIFT!

We recognize the value of loyal customers. That's why we've set up a Consumer Incentive Program and pack a Treasure Ticket inside every game. Every time you buy a Cinemaware or Spotlight game, you earn credits toward a valuable gift. And the more games you buy, the more valuable your gift becomes.

It's easy! Here's how the program works:

1. Simply fill out the Enrollment Card below and send it to us. You only need to send it in **once**. This automatically enrolls you in Cinemaware's Consumer Incentive Program.
2. Save the enclosed Treasure Ticket. As your tickets multiply, so does their value. For collecting 7 tickets, you receive a gift certificate worth \$20; for 10 tickets you get a certificate worth \$25; for 14, a certificate worth \$50!
3. Once you've collected 7, 10, or 14 Treasure Tickets, send them to Cinemaware and we'll send you a gift catalog and gift certificate. All you need to do is choose a gift, fill in the information on the certificate, and send it in.

The gift catalog is full of great items for everyone in the family: tools, appliances, camping equipment, toys, luggage, sporting goods, and more!

Limited Warranty

Save your sales receipt! Cinemaware Corp. warrants to the original purchaser of this computer software product that the recording medium on which the software program is recorded, and the software program itself, will be free from defects in material and workmanship for 90 days from the date of purchase. If during this period a defect should occur, all media may be returned to Cinemaware along with you **sales receipt** imprinted with the date of purchase and a brief description of the defect (to ensure proper handling of the problem). Include your return mailing address and, if possible, a daytime phone number. The media will be repaired or replaced (Cinemaware's option) without charge to the user, provided that the returned media has not been subjected to misuse or damage by the user.

Cinemaware Corp. does not warrant that the programs will meet the purchaser's specific requirements. Any statements concerning the utility of the programs are not to be construed as express or implied warranties of merchantability and fitness for a particular purpose, are excluded. In no event will Cinemaware Corp. be liable for incidental or consequential damages of any kind in connection with the software products.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
