**No snow? No equipment? No time? NO PROBLEM!**

## **MacSki brings the slopes to you!**

Grab your skis and get ready to race! Select a course from a number of challenging runs or design your own *dream course* using the built-in Course Editor.

Change the weather and snow conditions — set the level of difficulty to the point where you feel challenged.

Watch out for obstacles! **MacSki** includes Snowmen & Penguins, Igloos & Snow Bunnies, and much more! Digitized sounds and color graphics put you in the middle of the action.

Whether you're new to skiing or a mogul bashing animal, **MacSki** is your lift ticket to FUN. Your excuses are gone...take **MacSki** and HIT THE SLOPES!
