STORIES AND ADVENTURES

Yoyo and Doc Croc need your help.

Poor Prince Edward! The evil witch has turned him into a frog. Save him from his this poor state, so that he doesn't have to remain a frog for the rest of his life. Find a princess who will kiss him to reverse the curse and make him a prince again. Be smart, because a princess isn't easily convinced to kiss such a peculiar green fellow ...

Have fun playing!

You will only need a mouse for this game.

Fun surprises and lots of adventures are hidden wherever the  arrow turns into a  hand.

At the beginning of the game

First, choose a **wooden character** from the shelf. If you click on the same figure next time

you play, it will have memorised all the adventures you have already had and the games you have already played.

Don't miss out on the exciting adventures of Rumpelstiltskin!

Also on CD-ROM

These symbols help you change the settings or choose other pictures.

The **book of fairy tales** takes you back into the fairy tale.

By clicking on the **picture frame** you can go straight to all the places you have already been to.

Use the **harps** to adjust the volume.

To start a game, **click on a gold, silver or bronze coin** – bronze is an easy game, but gold means very difficult ...

You're not sure how to play a game? Then simply click on the **question mark**.

Use the **dictionaries** to change languages.

In the **toy box** you will find all the games you have already mastered.

The **red arrow** takes you back to the last picture.

You want to stop playing? Then simply click on the **staff**.

Installing your game

"The Frog King" is easily installed on your computer:
Switch your monitor's colour setting to 256 colours.

Installation with Windows 3.x

First-time use: Activate the programme manager and select "Run" from the "File" menu. Type "x:\install.exe" into the dialogue box (replace "x" by the letter representing your CD-ROM drive). The installation programme will set up the programme's symbols, install and start the game right away.

Playing after installation: Select the Tivola/Frog King programme group from the programme manager. Click on Frog King  – and off you go to the Land of Simsala together with Doc Croc, Yoyo, and of course the Frog King himself!

Installation with Win 95/98/NT/2000

With autorun: Simply insert the disc into the CD-ROM drive. The installation will begin automatically and then the game will start.

Without autorun: Click on "Start" on the tool bar and select "Run". Type "x:\install.exe" into the dialogue box. (replace "x" by the letter representing your CD-ROM drive). The installation programme will set up the programme's symbols, install and start the game right away.

Playing after installation:

Select the Tivola/Frog King programme group from the start menu. Click on Frog King  – and off you go to the Land of Simsala together with Doc Croc, Yoyo, and, of course, the Frog King himself!

Installation on Macintosh

Start the game by clicking on Frog King  in the Tivola/Frog King programme group – and off you go to the Land of Simsala together with Yoyo, Doc Croc, and of course the Frog King himself!

Installation of Quick Time

Is the programme "Quick Time" already installed in your computer? Then you can play the game right away. Do you first have to install "QuickTime"? Under "Read me" you can find a text explaining what you have to do and what files you will need.

And now you're ready to play!

Have fun playing!
